Stick Plus is one of the leading manufacturers, suppliers, wholesalers and service providers of **Printed Products, Paper Products and Stationery Products**. We offer them to our customers at market leading rates.

About Us

Established in the year **1998**, **Stick Plus** is the foremost organization, engaged in manufacturing, supplying, wholesaling and service providing a comprehensive collection of **Printed Products, Paper Products, Promotional Products, Stationery Products and Printed Corrugated Box**. Designed and developed using supreme-quality material and ultra-modern technology, these are developed by our skilled professionals with supreme precision in order to meet the global guidelines. These are extensively valued amid patrons for their merits such as eye-catching appeal, smooth finish and precise designs. Customers can purchase the provided products from us at the most inexpensive price range. We also provide the printing services.

We have built a well-installed infrastructural unit that is spread over a huge area of land. To maintain the comprehensive business operation in a smooth manner, we have segregated our infrastructure facility into diverse units such as manufacturing, sales & marketing, quality control and many more. Our production unit is installed with the cutting edge machinery and latest technology that helps us in meeting the urgent orders of customers within the guaranteed time frame. The technology and machines are updated at steady interval in order to keep pace with the contemporary market advancements.

Under able guidance of our mentor **Mr. Bharat Sadadekar**, we have accomplished enormous achievement in the few years of our...
