We are dedicated to offer durable and comfortable Micro Cellular Rubber Sheet, Rubber Hawaii Chappal, Light Weight Hawaii Chappal and Mid Sole to the footwear industry.

## About Us

To offer durable and comfortable Micro-Cellular Sheet to the footwear industry.

**"STOUT India Rubber Products"** believes that the sole is the **soul of a footwear**. The sole needs to last long as well as it has to be comfortable. The STOUT brand ensures that the Micro Cellular Rubber Sheet, Rubber Hawaii **Chappal**, **Light Weight Hawaii Chappal** & **Mid Sole** must offer durability, comfort & design freedom. The STOUT sheets are available in different thickness, shapes, properties, colors & designs as per requirement of customers.

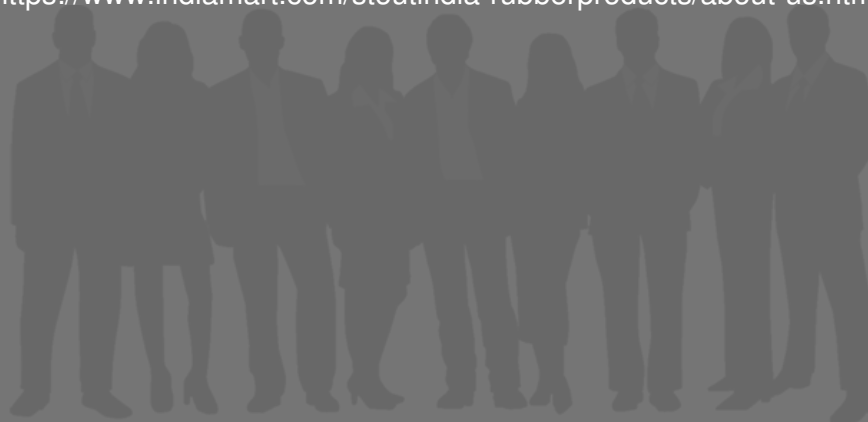

The sheets are also custom made against specific requirement of customer. All the Way Stout sheets are a product of a modern plant equipped with highly modern & sophisticated machineries. Brand-new styles have been meticulously & perfectly processed, by means of advance equipments & high quality managing group. Making us full of confidence for successful leap. All the products are fabricated using modern technology & best quality raw material like natural rubber, polybutadiene rubber, SBR etc.

### The Market Leader

Apart from being a market leader in eastern India, STOUT has a strong presence nationally. Exercising dominance from Southern India in states like Tamil Nadu, Andhra Pradesh, Karnataka, Kerala they stretch all the way to the north in Uttar Pradesh & Bihar. Our Micro Cellular Rubber Sheet are exported to the number of countries abroad by...
