About Us

“Style Homez Incorporation”, started its business in the year **2012**, at **Faridabad (Haryana, India)** as the leading **manufacturer, exporter, trader** and **supplier** of a comprehensive range of **Bean Bags, Loungers**, etc. These products are manufactured by our experienced professionals, keeping in mind the demands and specifications of clients. Premium quality raw material is used to manufacture these bags that we procure from the certified vendors of the industry. Large support of the clients is acquired by consistently making quality delivery of products in the market. We have maintained transparency in our entire business dealings that enables us to acquire a huge support and trust of the clients. At the same time, our experienced quality analysts keep their strict vigil on the entire process till the final delivery of consignments in the market. Our company possesses a ruggedly constructed infrastructural set-up, equipped with all requisite and advanced business amenities. Various departments like production, designing, quality testing, administrative, research & development, sales & marketing, administrative, logistics, warehousing & packaging are developed into our infrastructure. These departments are handled by our experienced and specialized professionals, making efficient use of the available resources. They also ensure to carry out each business activity in the most appropriate manner....
