We are engaged in manufacturing and exporting a wide assortment of **Acid Dyes, Smoke Dyes, Reactive Dyes, Indicator Dyes** and many more.

## About Us

Established in the year **1980**, We, “**Shree Umiya Dye Chem Industries**”, are one of the leading manufacturers and exporters of a comprehensive range of Dyes. Our range consists of **Acid Dyes, Smoke Dyes, Reactive Dyes, Indicator Dyes** and many more. Our range is widely used in textile, Xerox machine toner, computer printer ink, paints, and leather. We are backed by our modern manufacturing unit, which facilitates us in fulfilling the bulk requirements of the clients. This unit has an installed capacity of 25 MT per month and is equipped with the latest machines, tools, equipment, and technology that are required for producing a quality range of dyes. Our team of expert professionals works in close sync with the clients to understand their needs in a better way. It further helps us in offering customization to our clients as per the specifications detailed by them. Under the able and efficient guidance of our mentor, “**Mr. Bharat K. Patel**”, who holds M.Sc. (Organic Chemistry) and has 35 years of experience in this domain, we have carved a niche for ourselves in this competitive market. His ethical business practices, transparent dealings, and sound strategies have enabled us to garner a huge clientele across the market.
