# Sun Best

<https://www.indiamart.com/sun-best/>

We are a leading solar solutions provider with expertise across solar power (10 KW to MW including ground mounted system), patented solar air & solar water heating. Our solutions can be customized as per specific requirements of clients.

## About Us

**Sun Best** is a premier solar company engaged in the **manufacturing and supplying** Small Solar Dryer, Large Solar Dryer and many more products. The company was founded **1989** as a **sole proprietorship** organization and within very short period of time, we have gained high appreciation from our respectable clients. **Sun Best** has many success stories in the usage of solar power across a wide spectrum of Industrial applications, Agro based products, Remote independent driers, Commercial and domestic applications. All our range is developed using cutting-edge production methodology and superior quality raw material, thus acknowledged among clients for their exceptional features as well as excellence. Offering timely delivery to their specified orders and many more.

The technology pioneered by **Sun Best** provides low-cost, non-fossil fuel based methodologies for processing fruits, fish, vegetables, spices and reduction in fossil fuel through preheating for many industrial products. A company dedicated to producing quality work & exemplary customers services backed by years of real world experience. We are a well-established company located in Theni, Tamil Nadu.

**Sun Best** is promoted by **Dr. C. Palaniappan**, a pioneer in solar energy with 35 years of experience in solar energy research and development of innovative applications. His doctoral thesis on "Solar Agricultural Drying" at Milan University fetched him the...
