

# Sundek

<https://www.indiamart.com/sundek/>

Leading manufacturers and traders of an extensive range of Furniture. Marketed under the brand name of Sundek, Our range is widely demanded in schools, colleges, hostels, cafeterias and in commercial metal furniture manufacturing.

## About Us

Established in the year **2007**, we, **Sab Commercial Pvt. Ltd**, are renowned manufacturer and supplier of a wide range of **Furniture**. These products are acclaimed for various features, and cater to the needs of diverse areas. All our products are designed and developed under the brand name of **SUNDEK**. Our products provide optimum comfort for longer hours and give immense relaxation. Empowered by a state-of-the-art infrastructure, we are able to meet the growing demands of our clients. We have divided our infrastructure into various departments for completing the manufacturing process in an efficient manner. These units have adequate facilities which help us to develop our range in accordance with the industry to the industry norms and regulations. Owing to our ethical business practices, we have been able to garner a vast client network all over the country. Under the able guidance of our mentor, **Mr. Amit Chowdhary**, we have been able to gain an edge over our competitors. His extensive experience in the industry and business oriented approach has helped to reach untouched heights.
