

Sunrise Enterprises

<https://www.indiamart.com/sunriseenterprises/>

Sunrise Enterprises is a leading manufacturer and exporter of cams which are used for various automats like traub, deem, arrow, abhijat, sumangal. Highly durable and precise all our products are widely demanded in the global markets.

About Us

Sunrise Enterprises is a leading name in manufacturing and exporting of cams which cater to wide demands of the markets. Our range includes **collet opening and closing cam, turning cam, long turning cam, cross slide cam, double drilling attachment, indexing flat cam, double drilling cam, drilling cam, tailstock return cam, O rise holding cam, stopper cam, vertical slide cam and turret cam**. Incepted in 2001, in a short span of 7 years, we have shown a rapid progress. Under the leadership Of Mr. Abhijit Karav, who is a BE (mechanical) graduate and has an experience of 8 years in this cam industry he thought to be an entrepreneur in this field. Utilizing our technical expertise and supported by well developed infrastructural base, we have designed these cams to ensure high performance, accuracy, reliability, ease in operation and less maintenance. Our team of experts have gained huge accolades for our products that are minutely checked for complete precision.
