## About Us

Sunvoice electronics pvt. Ltd. Is a speaker manufacturing company for colour, slim & lcd televisions. The company was established in the year 1984 with technical guidance from m/s iksuwa shoji kaisha inc. , japan. The company has three manufacturing plants located in delhi & noida, india with total manufacturing capacity of 20. 00 million speakers per annum. The manufacturing units are certified for iso 9001-2000 and iso 14001-2004. The company manufactures its own metal parts and voice coils. The company was promoted by mr. Prem gupta, who is the managing director of the company. The marketing director mr. Chacko mathew has been associated with the company right from the inception and has substantially contributed to the growth of company. The company has a strong r&d centre equipped with all the facilities for speaker testing, parts testing, environmental testing & anechoic chamber for frequency response measurement. Technical team is headed by mr. R. R. Jhusiwala. Its customers include multinational companies like lg, samsung, videocon, onida, bpl sanyo, haier, tcl & sharp india . Currently it has a market share of 40% in india. The company has a vision to be number one in the manufacturing of television speakers in india as well as have a global presence. Thus to achieve this, we continuously strive to have the latest state of art manufacturing technology and process.
