About Us

Welcome to the **TRADEMARG & CO.** A trusted name in home appliances and safety devices, we also have a customer-friendly after sales support system **Success story** We have a long success story, consistently providing solutions to satisfy changing needs. New design trends, technological advances, evolution in society and changes in domestic behavior have all inspired our moves. Late A Rahim Ghotlawala, a visionary, formed SKYWAY LUGGAGE COMPANY in 1978. The firm started dealing with all types of luggage range and catered to corporate houses in Gujarat. Our satisfied and eminent clients were Navneet Publications, Cadila Pharma, Torrent Pharma, Torrent Power, Neptune House, Marico, among several others. In early 1991, we added another feather in our cap and started our new venture with the brand-name of SUPER PLASTIC CORPORATION, serving the need of luggage raw materials and accessories of our clients. To realize his dream, Ghotlawala shared his responsibilities with his son Musaddik A Ghotlawala. Under the banner of SUPER PLASICS CORPORATION, we took a giant leap forward and introduced one of the world's finest safety products called GASFUSE in Ahmedabad. The product was an instant hit and proved to be the one and only safety device for LPG cylinders. It was the debut project of Musaddik A Ghotlawala. The year 2004 came with more responsibilities and growth for us. We not only grew by leaps and bounds but also launched TRADEMARG and stepped ahead to conquer the market...
