Super Cast Founders & Engineers

<https://www.indiamart.com/supercast-founders/>

We have gained immense recognition as a prominent manufacturer and exporter of Aluminium Die Casting Products. Owing to their durability, dimensional stability and corrosion resistance, these are extensively demanded across the globe.

About Us

Established in the year **1964**, we, “**Supercast Founders & Engineers**”, are renowned manufacturer and exporter of Aluminium Die Casting Products including aluminum casting alloys, aluminum casting, castings aluminum, die casting aluminum, aluminum sand casting, automobile casting & junction boxes. We are acknowledged for providing complete casting solutions, from mold design and manufacturing to casting and cast finishing. Our organization is reckoned in domestic as well as global market for providing international quality products and that too at industry leading prices. Catering to the demands of industries like engineering, switch gear, lighting, electrical, textile and furniture, our range is acclaimed for its durability and efficient performance. We have established a sprawling infrastructure base, which is equipped with modern tools and designing facility. For catering to the clients' demands in timely manner, we have outfitted machines with casting capability of producing 100 parts per month to 100,00 parts per week. We hold expertise in offering our clients, castings ranging from 50 grams to 30 kg. With client-centric and quality conscious approach, we have been able to garner a huge clientele spread across the **Indian Subcontinent**. Our mentor, ‘**Mr. Chandrakant**’, has excellent management and leadership qualities. Under the canopy of his guidance, our organization has touched the pinnacles of...
