We are one of the most prominent enterprises, engaged in providing professional Event Management Services to the clients. Our services are appreciated for their well-executed, cost-effective and prompt nature.

## About Us

Established in the year **1994**, we, '**Super Jaiswal Tent & Decorators**', are leading providers of professional **Event Management Services** to our customers in **Madhya Pradesh, Rajasthan, Gujarat & Maharashtra**. By investing in our services, the clients can save the time to carry off various aspects of managing different events. Being executed by our highly qualified professionals, who possess sound experience of this domain, these services score high on flexibility, reliability and timeliness. These services are planned by our highly adept professionals after analyzing the detailed requirements of the clients. Apart from this, we also provide skilled and semi-skilled personnel to the clients. These services are made available to the customers considering their budgetary constraints and scale of the event. Our services can be availed for planning and execution of various personal parties, musical shows, corporate events and other celebratory parties. All of these services can be personalized in terms of decoration material, theme, color combination, menu, music and lighting. Under the expert and qualified guidance of our patron, "**Mr. Virendra**", we have gained immense acclaim in the market. Also, his keen business acumen and principled approach have allowed us to establish ourselves as the preferred choice of the clients.
