SUPERTECH ENGINEERS was established in the year 2014 and is Leading Tipper, Trailer, Commercial Vehicle Body & Body Parts manufacturing and Heavy Fabrication Concern.

About Us

Established in **2014**, **Supertech Engineers** is the leading **Manufacturer** of **Agricultural Cultivator, Box Trailer, Flatbed Trailer, Tipper Body, EOT Crane, Tractor Cage Wheel and much more**. The mentioned types of equipment are highly appreciated amongst our customers for their optimum performance, exceptional finish, sturdy design and longer functional life. To meet the varied requirement and demands of our clients, we manufacture these in different technical specifications and customizations.

Under the constant supervision of our mentor **Mr. Arun Gupta** (Partner), we have been successful in catering to the precise demands of the clients. His managerial skills and decision-making ability has earned us huge profit.
