We are one of the prominent manufacturers and suppliers of a wide range of Bath Fittings and Bath Accessories. These products are widely acclaimed for their features like elegant designs, corrosion resistance and reliable service life.

About Us

Established in the year **1994** at Patparganj Industrial Estate, (Delhi, India), we, “**Supra Bath Fittings**” are one of the leading manufacturer, distributor, exporter, wholesaler, trader and suppliers of **Bath Fittings** and **Bath Accessories**. According to studies, a person usually spends as much as 750 hours per year in the bathroom. So, the bathroom must be well maintained and is fitted with all requisite amenities. Keeping this fact in mind, we present an astonishing collection of taps such as **Center Hole Basin Mixer, Concealed Stop Cock, Wall Mixer Non Telephonic, Pillar Cock, Bib Cock Long Nose, Water Tap, Angle Cock, Wall Mixer, Sink Cock, Tumbler Holder, Coat Hook, Soap Dish, Towel Rod, Towel Ring, Sink Mixer** and other allied products. Our range is available in the brand name of “**SUPRA**,” and is acknowledged by the customers for its attributes like reliable performance, sturdy construction, resistance to corrosion and durable finish. For providing the maximum satisfaction to our valued customers, these products are designed keeping in mind the ease of operations, functional utility, operating environment, maintenance necessity and aesthetic appeal. In order to meet the specific and bulk requirements of our eminent customers, we have established a well equipped manufacturing unit. This division is installed with requisite amenities for manufacturing a qualitative assortment of **Bath Fittings and Bath...**
