Suprajit Engineering Limited

<https://www.indiamart.com/suprajitengineering/>

Suprajit Engineering Limited is the largest manufacturer & leading OE suppliers of automotive control and speedo cables etc.

About Us

Incorporated as a **Private Limited Company** in **1986**, **Suprajit Engineering Limited** started manufacturing, supplier & exporter high quality liner cables to exacting Japanese standards for the automotive industry in **1987**. Currently catering to a wide spectrum of automotive and non-automotive cable requirements, **Suprajit Engineering** has achieved phenomenal growth and has cemented itself as India's largest manufacturer of automotive cables with a capacity of over 150 million cables a year with a turnover of 100 million USD. **Suprajit** is now listed in the Indian bourses and is amongst the top five cable manufacturers in the world. The firm not only **manufactures** but has a good niche **in exporting and supplying of Automotive Cables, Non-Automotive Cables, Mechanical Gauges, Two Wheeler Cables, Automotive OEM Products and Cable Parts**. The firm has observed unprecedented success in last few years and has marked global presence in the market. All this has happened under the perfect guidance of **Mr.Ajit Rai** who is our Chairman & Managing Director. His understanding of global market condition is unmatched and the organization has reaped huge benefit from the same. Our excellent infrastructural facility in **Bengaluru, Karnataka** caters to our entire business needs in efficient manner. We have provisioned sufficient place for all the departments to facilitate their functioning,...
