We are one of the prominent manufacturer, supplier and exporters of an exclusive range of eco-friendly bags. Our elegant range is known for originality of styles, intricate designs, patterns, light weight and long lasting features.

## About Us

**Suresham Holdings Private Limited** was established in the year 1974. We are one of the leading manufacturers, exporters and wholesaler of Kolkata specializing in a fashionable and exquisite range of jute cotton bags. Our company had its genesis in the year 1974 under the able leadership of Ms. Shelley Mehta and since then we have been maintaining supreme standards for all our categories. We use best quality natural fiber based fabrics to design these bags in the most unique way and ensure long lasting usage. Each range is made to be eco friendly and recyclable depicting best craftsmanship for embroidery and printing. Our team of designers come with relevant experience and immense creativity to shape the catalogue in the most exclusive and exquisite manner. They incorporate the most modern methods and AZO free printing colours to reflect a contemporary and trendy appeal in every product. We work with an objective to redefine the style and fashion statement blended with our concept of innovation. Our bags are not only used as accessories but also find application for promotional and utility purposes. To gain more prominence, our company has been a consistent participant in different trade shows every year introducing innovative lines that are at par with the latest trends. Our products are available in customized designs and come in the most economic price range.
