About Us

SURGITOP MEDSYS , is one of India's leading Medical Technology Companies specializing in the distribution of Medical Equipments and Health Care Products providing cost effective and high quality products. With the Indian Government initiative towards health care for all, Surgitop Medsys is proactively keeping ahead of the technological developments in the areas of therapeutic and monitoring equipment.

SURGITOP MEDSYS, joining hands with the existing committed Medical Community, aims at providing better medical care to the millions of Indians by providing high-tech products at reasonable cost.

SURGITOP MEDSYS, since inception, has built a solid reputation of being Service Oriented and the results speak for themselves – a major portion of the business is generated from satisfied customers.
