We are one of the trusted traders and suppliers of quality Fabrics. These are appreciated by our customers owing to features like colour fastness, shrink resistance and tear strength.

About Us

Established in the year 1976, at Delhi-India, we “ **Suri Traders,**” are one of the noted traders and suppliers of a wide range of **Fabrics**. Our product line includes Grey Shade **Pure Silk Fabric, Cotton Satin Fabric, Rayon Fabrics, Viscose Fabrics and Net Fabrics**. These are known for salient features like colour fastness, shrink resistance, smooth texture and tear strength. We also have the facility to get the fabrics custom manufacture by our vendors. We also ensure that these Fabrics are sourced from the vendors in a timely manner so that we can maintain regular supply of stock in the market. All the quality related checking and inspections are completed at the vendors site and possible measures are taken so that only defect free range of Fabrics is procured. **Owing to the assistance of our expert professionals**, we also have the proficiency in judging the texture of the fabrics. We are continuously progressing under the able guidance of our mentor, **Mr. Karan Suri**. Owing to his knowledge, rich experience and unmatched supervision, we have been able to meet the requirement of various Textile Industries based all over India. Under his leadership, we have also achieved an annual turnover of Rs. 4 crores (40 Million-INR).
