We are a reliable service provider facilitating the clients with affordable space for industrial units. Our organization is credited for establishing the first operating zone in the private sector in India.

## About Us

We, “**SuRSEZ**”, are a well-known **service provider** facilitating clients with readymade units and space for setting up Industrial Plants. Also known as **Surat Special Economic Zone**, we are the main strategic business unit of **Diamond and Gem Development Corporation Limited (DGDC)**. Being the first private player to provide a fully functional operation zone, we have an inherent superiority over our competitors. Clients opting to set up their business units at our premises are presented an overwhelming range of advantages in the form of various fiscal benefits and tax exemption offered by the governments of **India, Gujarat** and other bodies. These cover benefits under Income Tax, Customs Duty, Excise Duty, Service Tax and Industrial Licensing. Our spotless and exceptional track record of the last 5 years speaks for our claims of being the most proficient service provider in this respective domain. From a humble sum of approximately **Rs.62 crores** in 2000-01, our exports have seen a quantum leap to the tune of **Rs. 2400 crores** in the year 2005-06 and for the financial year it has been projected to **Rs.4000 crores**. Helping to accomplish this incredible feat is our excellent location, just 14 Km from the heart of Surat city and adjacent to the **Mumbai-Ahmedabad** national highway and rail routes. Furthermore, we have provided our patrons all types of infrastructural support and other facilities, which are...
