Manufacturing and supplying of industrial coconut oil and commercial grade coconut oil. Our products are known for their purity and richness and are utilized in the **cosmetic and food processing industries.**

About Us

Established in the year 1995, **Suruchi Refinery Private Limited** has become a known name in the field of manufacturing and supplying of industrial and commercial grade coconut oil. Our range of products includes Refined Coconut Oil, Soap Grade Coconut Oil and Coconut Oil, which are used for cosmetic use, soap manufacture and for the purposes of cooking & food processing. The oil produced by us undergoes a series of processes for extraction and enhancement for the necessary utility. One of the main characteristic feature of our products is the richness and nutrient content of the oil that makes it suitable for consumption. Also, the quality of the soap grade coconut oil helps in the nourishment and protection of the skin. Owing to these features, we have developed a vast client base in the cosmetic and food processing industry with reputed customers.
