About Us

Our company is established in the year **1990** in **Tamil Nadu in India**. **Suryaa Business Associates** are renowned in the market as leading manufacturer and trader of Hand Railing, Glass Door, Swimming Pool Accessories and many other products we are widely known for our superior quality. The accolades we have won from our customers are due to our number of facilities we provide to them. The long-term relationship with the customers makes the strong bonding between us. We are popular in the market for our transparent relationship with customers and our reasonable prices. The products we offer are known in the market for their number of features like carrion resistance, durability, superior quality and various others. Final inspection and regular testing are done on the products to ascertain that our products fully meet the client's requirements. **Mr. Krishna Raj (Chief Executive Officer)** has enough knowledge in the setup domain which helps him to handle the company easily. The team members we have hired work under his guidance and give their best. We are able to satisfy our customers due to our fully dedicated team who work after fully understanding the needs of the customers. Our production output is enhanced by our ultra modern infrastructure which is fitted with all requisite machines and equipment. Our team is well versed in respective domain job work thus carry out all processes with ease. We have put forth an...
