About Us

AUM Agrotech Ltd. Was founded in 1999 by Mr. Shashi Kumar, Managing Director & Chairman of the company having broad vision to bring bio-products from natural origin for several agricultural practices and animal healthcare as well. Referring ancient ayurvedic text for herbs of medicinal importance and formulation of various bio-products for organic agriculture, floriculture, horticulture, animal healthcare and dietary supplements as well was including in his vision. Realizing the importance and impact of ecological balance, environmental pollution, human health, resource utilization and recycling and sustainable environment, we AUM Agrotech Ltd., developed Ecofriendly, natural derivatives for agriculture. AUM produces quality polyherbal formulations by adopting principles of Good Manufacturing Practices, Good Laboratory Practices, Good Packaging Practices and feel proud our-self on being environment friendly company.
