## About Us

**Swagata Steel** came into existence in the year **2000** and is one of the well known companies in **West Bengal**. The ownership type of the company is **Sole Proprietorship** firm. We are a **manufacturer, supplier, trader, wholesaler** and **retailer** of wide assortment of **Sofa Set, Dining Table Set, Garden Furniture, Wooden Furniture and Steel Furniture**. Our offered products are highly recognized among the customers spread all around the nation. We design our products by paying very close attention to the needs and the requirement of the clientele. We have hired team of highly dedicated and devoted designing professionals who perform their business activities in a productive manner. Being in the race of this domain, we are still growing and trying to place our position among highly prolific companies in the market. Our company is familiar with the changing and upcoming trends of the market, and promise to provide products to our clientele accordingly. We take pleasure in delivering the most modish and contemporary designs as per the customers' demands. The products are delivered in the market after the final approval of the quality under various parameters. Further, we provide these at market leading prices and within a promise time frame at our clients end.

Under the esteemed supervision of **Mr. Tilak Mukherjee (Proprietor)**, our company has attained a noteworthy position in the market. He...
