Swaran Enterprises

<https://www.indiamart.com/swaranenterprises/>

Manufacturer, Exporter and OEM Supplier of Thermoset Moulded Components, Wire Harness, Sub Assemblies, Electrical Switchgear Components, Thermoplastic Components, Automobile Components & Sheet Metal Components.

About Us

Established in the year **1997**, we, **Swaran Enterprises**, are engaged in **Manufacturing, Exporting & Supplying of Precision Molded Components** such as Thermoset Moulded Components, Injection Molded Components, Compression Molded Components, Thermoplastic Components, Thermoplastic Molded Component, Automobile Components, Automobile Moulded Parts, Electrical Switchgear Components, Switchgear Components, Wire Harness, Electrical Sub Assemblies, Sheet Metal Components, Sheet Metal Parts, Switch Gear Components, Switch Gear Components, Moulded Switchgear Parts, Compression Moulding and Injection Moulding which finds wide application in Automobiles, Electrical & Appliances, and Auto Switches & Switchgear Industry.

We started our business by Manufacturing of Automobile Switch Sub-Assemblies. Over the period, we could achieve a no of milestones in this extremely competitive environment with our hard work and customer-oriented business strategies. We are guided by Our Mentor, "**Mr. Hemant Kumar**", who holds rich industry experience in this domain. His vision and foresightedness have enabled us to carve a niche in this domain due to which we have mustered a huge clientele across the Indian Subcontinent.

THERMOSET MOULDED COMPONENTS

Our Products

Thermoset Molded Automotive Parts

Bakelite Injection Molded Components

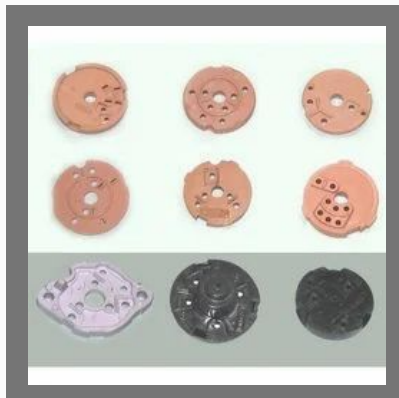

Compression Molded Components

OTHER PRODUCTS:

Electrical Switchgear Components

Moulded Switchgear Parts

Automotive Wiring Harness

Wire Harness Assemblies

OTHER PRODUCTS:

Electronics Sub Assemblies

Thermoplastic Molded Component

Compression Moulding Components

Sheet Metal Parts

Factsheet

Year of Establishment	: 1997
Nature of Business	: Manufacturer
Total Number of Employees	: 26 to 50 People
