Swasthya - The Health Junction

<https://www.indiamart.com/swasthya-thehealth-junction/>

We are a food supplement store based at Jaipur. The purpose of our store is to provide herbal and natural health supplements to people to help them keep healthy.

About Us

We take utmost care in selecting products which are natural i.e. their main ingredients are plants, fruits, herbs, etc. Incepted in the year 2013, with the motto "**go back to nature**", we deal in food supplements that promote healthy living among people. With the declining proper fooding habits & hectic life style, one's quest to stay fit never ends. We try to bring a result to that quest.
