About Us

SXJ Lifts was established in the year of 2009. We are leading Manufacturer, Distributor, Service provider, Supplier of passenger lifts, vacuum lifts etc. We are instrumental in designing and offering our clients with a quality assured gamut of Passenger Lifts that can effectively serve the movement requirements of mulch-stored buildings. These lifts have a high capacity that can accommodate large number of people and can be moved quickly.

We manufacture these using high grade materials using advanced technology. These have varied applications in a number of uses in commercial places. We provide these at industry leading prices. These high capacity lifts can accommodate large number of people without recording reduction in the normal speed. Our range of Passenger Lifts is in compliance with the international standards.
