# Sybly Threads Limited

<https://www.indiamart.com/sybly-udyog/>

We are engaged in manufacturing and supplying a range of Yarn like Polyester Threads Yarn, Mercerized Cotton Yarn, Polyester Viscose Yarn and others. These are known for their excellent strength and soft texture.

## About Us

Established in the year, 1991 at New Delhi, Delhi (India), we, “**Sybly Threads Private Limited**”, hold specialization in **manufacturing** and **supplying** a vast range of **Yarn**. Our assortment includes **Polyester Threads, Mercerized Cotton Yarn, Polyester Dyed Yarn and Cotton Glazed Yarn (Kite Threads), Cotton Embroidery Threads, Crotchet Thread etc.** Manufactured using fine quality threads and thoroughly checked before the final dispatch, our products are highly acclaimed in the market for their special attributes, such as colour fastness, high strength and soft texture. Offered in various colours, thickness and textures, we also provide customized solutions according the requirements and specifications of the customers. We are an eminent company, which solely focuses its entire business operations, ethics and values towards customer satisfaction and quality of products. Our products are quality tested stringently on different parameters by experienced professionals to ensure that defective products are not supplied to the customers. To enhance customer satisfaction by meeting their specific requirement, we provide customization facility based on the details of needs provided. Vibrancy of the logistics department in delivering bulk consignments within the stipulated time is unquestionable. Flexibility of payment modes is fairly welcomed by the customers as is convenient and time-money saving. With its...
