Systems And Controls (Sangli) Private Limited

<https://www.indiamart.com/sycon/>

We are recognized as a leading manufacturer and supplier of Power factor controller, KVA demand controllers, Digital panel meter, Digital motor protection relay, Earth leakage relays, Current Transformers, Etc

About Us

Established in year 1987, we, “**Systems & Controls Pvt. Ltd.**”, are among the prominent organizations involved in manufacturing and supplying **Power factor controller, KVA demand controllers, Digital panel meter, Digital motor protection relay, Earth leakage relays, Current Transformers** and many more names in the catalog. In order to give top priority to the quality of the products manufactured by us, we use optimum quality raw material, which we obtain from reputed vendors of the industry. We deploy advanced machinery, tools & equipment to manufacture the wide range of products. Our products are manufactured in accordance with the established quality standards and guidelines of the industry. Our products are recognized in the market owing to their features like excellent performance, quality, longer life, reasonable market prices and least maintenance. Our manufacturing unit is spread over a vast area and fully loaded with all the latest technology and machines, with an objective to carry all the production related activities in a hassle-free manner. For the management of production process, we have appointed a team of experienced professionals, who ensure that all the activities are carried out in a hassle-free manner. Backed by a team of highly talented, experienced and dedicated professionals, we are running on the path of success and growth. These experts maintain healthy working relationship among each other as well as...

DIGITAL PANEL METER

Digital VIF Meter

SYCON-9913 Three Phase Voltmeter

SYCON 9933 Three Phase Three Line Voltmeter

Sycon 9943 Three Phase Three Line Ammeter

AUTOMATIC POWER FACTOR CONTROLLER

SYCON-55XX-SS Automatic Power Factor Controller

SYCON 6612SS Automatic Power Factor Controller

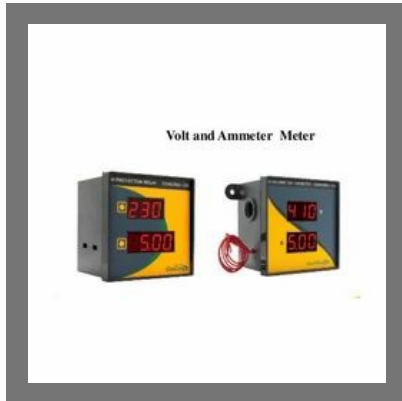

55XX Automatic Power Factor Controller

Automatic Power Factor Controller

OTHER ELECTRICAL PRODUCTS

Volt And Ammeter Meter

Earth Leakage Relay

Low Tension Current
Transformer

Water Tank Controller

OTHER PRODUCTS:

Sycon 9910 Single Phase Voltmeter

SYCON 6616 Automatic Power Factor Controller

Sycon 4600 Intelligent Load Manager

Maximum Demand Controller

OTHER PRODUCTS:

Sycon 2220 Intelligent Motor Protection Relay

Sycon 2110 Motor Master Relay

Earth Leakage Relay 7722

Earth Leakage Relay 77XX

OTHER PRODUCTS:

Sycon 7800 Earth Fault Relay

Under Voltage / Over Voltage Relay

Thyristor Capacitor Switching Modules

Street Light Control Panel

OTHER PRODUCTS:

Active Harmonic Filter System

Thyristor Power Controllers

Data Logger Recorder

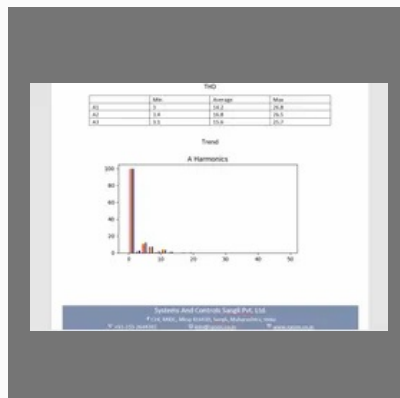

Sycon 8805 Single Phase Preventor

OTHER PRODUCTS:

Three Phase Reactor

Electric Harmonic Analysis Service

Static VAR Generator SVG

Thyristor Switching Module

OTHER PRODUCTS:

Harmonic Filter Reactor

Asset Management System

Street Light Timer

Energy Management System

Factsheet

Year of Establishment : 1988

Nature of Business : Exporter and Manufacturer

Total Number of Employees : 26 to 50 People
