We **Tanishka Hitech Nursery** since **2012** are **manufacturing** wide range of **Mango Plant, Capsicum Plants, Rose Plant, Chilli Plants, Lemon Plant, Papaya Plant, Brinjal Plants, Marigold Plant.**

## About Us

We **Tanishka Hitech Nursery** since **2012** are **manufacturing** wide range of **Mango Plant, Capsicum Plants, Rose Plant, Lemon Plant, Papaya Plant, Brinjal Plants, Marigold Plant, Tomato Plants, Coconut Plant and many more.** Offered collections of these plants are grown from selected quality mother plants. These products are admired for their long shelf life, healthy and tasty features.

We have developed a sophisticated infrastructure facility at our premises. To prepare our offered collection of plants as per the industry defined norms and standards, our facility is equipped with all the modern machines and tools. To control all our business process, we have appointed a team of well qualified and experienced professionals. To cater our customers in a well-set manner, we are providing our products in various types as per their precise needs. With the constant support and dedicated efforts of our team members, we have been able to achieve our predefined objectives.

In our specified business, we have been capable of placing our footprints across the industry, backed by the creative ideas of our owner **Mr. Rahul Bendbhar**, He utilizing his vast industry experience to fulfill the expectations of our customers.
