

Tarni Enterprises

<https://www.indiamart.com/tarnienterprises/>

We are manufacturer, exporter and supplier of All kind of Leather and Artificial Leather Products, Example - Leather wallets, Hand Bags, Boxes and Many Varity of Desk top Accessories. All our Products are 100% Handmade.

About Us

We, the people of **Tarni Enterprises** have gained worthy appreciation for **manufacturing** and **supplying** optimum quality **leather products** which always exhibit remarkable design, sophisticated look at a cost competitive manner. Our organization always values the morals of our customers and manufactures the products as per our clients' tastes. We offer a wide range of **natural** and **artificial products** including **leather garments**. The products we manufacture, are undergone some useful testing strategies before they are dispatched to ensure the quality standards. Our team of personnel rigorously tests the products to make them consistent, reliable and well packed. The range of our leather products starts from leather bags up to small leather accessories. Various types of stylish ladies **purse**, **men's wallets**, **credit card holders** are manufactured with good quality leather which gives perfect look and completeness. Different types of flam boyish **men's** and **women's executive bags**, sophisticated **cigarette cases** and **leather carpets** are also part of our exclusive manufacturing unit. Besides these, we also implement newer designs, several patterns and styles to incorporate some **leather garments**. We take immense care of the tastes of different generations to fulfill their requirements as per their tastes. All the products are manufactured according to the...
