About Us

Tasira Tools Centre started its business operation in the year **1991** as a **Sole Proprietorship** firm at **Chennai, Tamil Nadu (India)**. Since its beginning, we have evolved ourselves among the leading companies with our wings expert in **manufacturing, supplying** and **trading** an extensive array of **Mechanical Tools**. Our entire product range is reliable and durable for long term. We offer a wide range of tools comprises of **Square head Pipe Plug, Back up Washer, Metal Valve, Reducer Weldable Nipple, Socket Weld Flange** and **many more**. Our prime motto is to satisfy our valuable customers with our pleasant services and qualitative product range. Our tools ranges are highly demanded across the nation and we assure our clients, time frame delivery in any part of the country. Our products are extensively used in different industries. They are easy to install and robust in construction. We deliver our products using high techniques of packaging which assure their quality. **Tasira Tools Centre** is the brain child of our astute mentor **Mr. Hussain Ezzy**. He is the **proprietor** of the company. He has established a prosperous business in the industry. He is a good mentor and shows his intelligence time to time whenever needed. He holds a very well position in front of our clients and never gives them a single chance for any complaint. He behaves friendly...
