## About Us

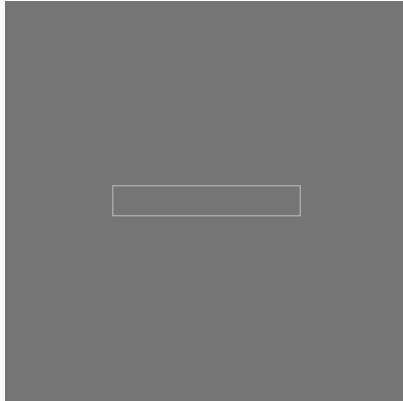

"Team Interventure" as proclaimed by the buyers, is a one stop solution for them for their requirement of various types of yarn & fabric be it raw white, dyed, melange, slub, Gassed, Gassed mercerised etc. "Team Interventure", today has achieved its name in the International Market as one of the consistent and reliable exporter. We could achieve this status not because of the most competitive rates we offer, but due to the ability of understanding in detail, buyer's requirement, and providing it with un-matched timely service in all aspects. Due to our fair and transparent business policy and with a team of highly qualified, technical and marketing professionals, having thorough knowledge about the industry, our buyers and our manufacturers take pride for being associated with our organization. With the strong back-up of the top quality manufacturers for the products, today we have our foot-hold in each and every product being exported by us.
