Technical Teaching D Equipments

<https://www.indiamart.com/technicalteaching/>

We are the manufacturers & suppliers of : Mechanical engineering
.Civil Engineering .Chemical Engineering.Automobile Engineering
,Aeronautical Engineering , Instrumentation Engineering .Tribology ,
Laboratory Equipments for Technical Institutions

About Us

Incorporated in **2005 Technical Teaching (D) Equipments** is a company engaged in manufacturing and supplying wide range of **Kinematics Models, Petrol Engine Test Rig, Diesel Engine Test Rig** and different others. Our entire product range is used in engineering lab equipments catering to Technical institutes, Universities and Training centre. Owing to its qualitative features such as sturdy construction and long service life our entire product range is valued across the nation. Our entire product range is as per the set industrial standards and policies. Our entire product range is manufactured using quality assured raw material and advanced technologies thereby ensuring its flawlessness. We use latest technologies and advanced facilities that assist us to deliver an exceptional product range. Modern tools and advanced technologies thereby assisting us to deliver world-class product line. With the assistance of experienced and dedicated professionals, we are able to deliver world-class range of products. We deliver the entire product range in promising time period. Our entire product range are used in Thermodynamics, Mechanics of fluids, Theory of machines, Steam engineering, Heat transfer, Refrigeration & Air conditioning and different allied areas. Our firm is supported by Under the guidance of our mentor **Mr. Raja ram Munisway** we are able to undertake constant growth. His in-depth experience and strong motivation skills had assisted...

CHEMICAL ENGINEERING LAB EQUIPMENT

Our Product Range

Pressure Drop In Two Phase Flow

VAPOUR-LIQUID
EQUILIBRIUM SET-UP

Measurement Of Level By Air
Purge Method

Packed Bed Reactor

REFRIGERATION AND AIR CONDITIONING LAB

Our Product Range

OEM Computerized Air Conditioning Test Trainer

OEM Mechanical Heat Pump Test Trainer

OEM Heat Pump Test Trainer

OEM Domestic Refrigerator Test Trainer

FLUID MACHINES LAB EQUIPMENT

Our Product Range

Reciprocating Pump Test Rig

Kaplan Turbine Test Rig
(Vertical type 5HP output,
efficiency 65%)

Jet On Vanes Test Rig

Francis Turbine Test Rig AC
Generator bulb loading 5HP
output,efficiency 65%)

MEASUREMENT AND INSTRUMENTATION LAB EQUIPMENTS

Our Product Range

Current To Pressure
Measurement Test Trainer (I
To P)

Strain Measurement Test
Trainer

Lathe Tool Dynamometer
Measurement Test Trainer

Vibration Analyzer Test
Trainer

HEAT ENGINE LAB EQUIPMENT

Our Product Range

OEM Single Cylinder Diesel Engine Test Trainer (with Rope Brake Dynamometer)

Oem Computerized Diesel Engine Test Trainer (With Air Cooled Eddy Current Dynamometer)

Computerized Multi Cylinder Diesel Engine Test Rig

OEM Computerized Multi Cylinder Petrol Engine Test Trainer (Air Cooled Dynamo-meter)

HEAT TRANSFER LAB EQUIPMENT

Our Product Range

STUDY HEAT TRANSFER
THROUGH COMPOSITE
WALL

OEM Metal Bar Trainer

OEM Natural Convection Test
Trainer

HEAT TRANSFER
THROUGH LAGGED PIPE

MACHINE DYNAMICS LAB EQUIPMENT

Our Product Range

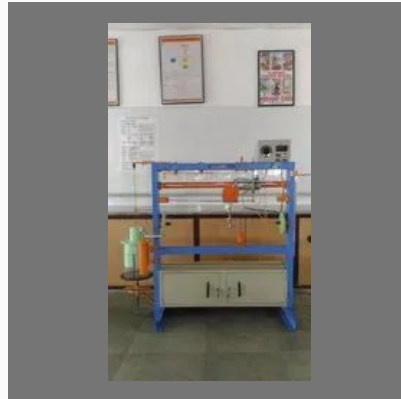

Static and Dynamic Balancing Apparatus

Journal Bearing Test Rig

Epicyclic Gear Test Rig

OEM Universal Vibration Test Trainer

OTHER PRODUCTS:

OEM Batch Crystallizer Test Trainer

OEM Window Air Conditioning Test Trainer

Jet Pump Test Rig

LVDT Measurement Test Trainer

OTHER PRODUCTS:

OEM Computerized Multi
Cylinder Petrol Engine Test
Trainer (Water Cooled
Dynamo-meter)

Plate Heat Exchanger Test
Rig

Motorized Gyroscope
Apparatus

Hydraulics Trainer
