Tej Innovative Products

<https://www.indiamart.com/tej-innovative/>

We are an eminent manufacturer and exporter of building construction chemicals such as coatings and concrete admixtures, decorative paints and many more. Our broad range of products has been widely recognized by our widespread clients.

About Us

Incepted in the year 1993, Tej Innovative Products has grown to a well-recognized name in the field of manufacturing and exporting construction chemicals, coatings, additives and admixtures. Under the profound guidance of our mentor, Mr. Tejas Tagdiwala, we have expanded our business horizons to international platform by catering to the requirements of widespread clients. We have recorded phenomenal success in last two decades, owing to the implementation of sophisticated technology in the production of Construction Chemicals & Coatings. Our state-of-the-art infrastructural setup and automatic machines enable us to meet the exact expectations of our esteemed clientele. Moreover, we pursue personalized approach with the customers that result in complete client satisfaction.
