About Us

J. Thadhani is one of the oldest and the leading manufacturer and marketer of industrial safety products & personal protective equipments p. P. E in india. 1946, j. Thadhani & co. Has been committed to providing consumers with the highest quality of industrial safety products and personal protective equipments. J. Thadhani & co. , a small scale industry, is the undisputed leader in supplying reliable and innovative products to protect people and also provides exclusive first aid kits, a trademark product of j. Thadhani & co. That provides emergency personal treatments. These commitments along with the company s focus on environmental and public safety issues has enabled the company and its brands to sustain growth for over 60 years. In the years to come our company will continue to deliver on those commitments, while at the same time providing our loyal patrons with innovative and helpful industrial safety products. We not only supply products with standard sizes but can also cater to your own personal needs. We realize that much of the responsibility is ours, but we also realize that our success is redicated on the continued support of our customers. We look forward to the challenges that before us and appreciate in advance your ontinued support of our company and our reliable safety products.
