# Thakar Enterprises

<https://www.indiamart.com/thakarenterprises/>

As a reputed firm in this domain, we are Manufacturing, Trading and Supplying Scientific Engineering Instruments, Charts etc. Also, we are providing Project Development Work. Our offered products perfectly conform to the international standards.

## About Us

Established in the year **1994**, at **Pune (Maharashtra, India)**, we “**Thakar Enterprises**,” are progressing in the industry with an objective to provide ultimate solution and satisfaction to cater the all the requirements of industries. We are actively engaged in **manufacturing, trading** and **supplying** a qualitative assortment of **Scientific Engineering Instruments, Educational Models, Charts** etc. These products are manufactured and designed by our experts following the guidelines defined by industry and by making utilization of advanced machines, modern technology and the finest grade factor components. In addition to this, the manufacturing process of our entire array is carried in accordance with the international quality standards. Due to optimum functionality, sturdy construction, precise dimension and high tensile strength, our offered products are extremely demanded across the domestic as well as international market. Further, we also possess specialization in customizing this range as per client's laid specifications without affecting the quality standards. Sprawling over a vast plot area, our advanced infrastructural facility enables us to offer superior quality assortment of offered products to clients. We have installed in this infrastructure a complete set up of production machines, equipment and tools. Further, we regularly maintain, lubricate, grease and upgrade these installed...

Bell Crank Lever Apparatus

Inclined Plane And Friction Side Apparatus

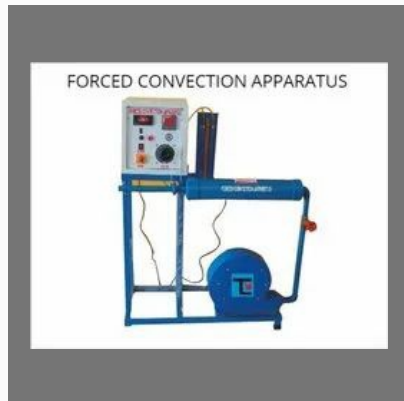

Pulley Demonstration Set

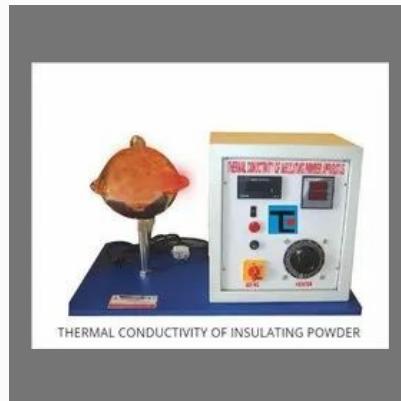

Winch Crab Single Purchase

# HEAT TRANSFER LABORATORY SETUPS

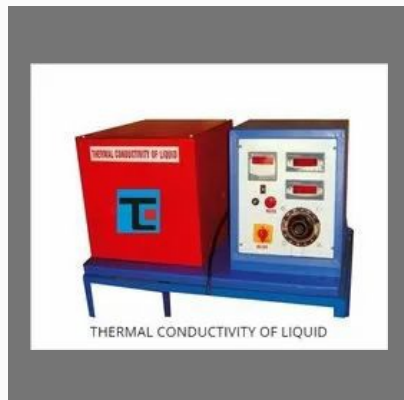

Our Products

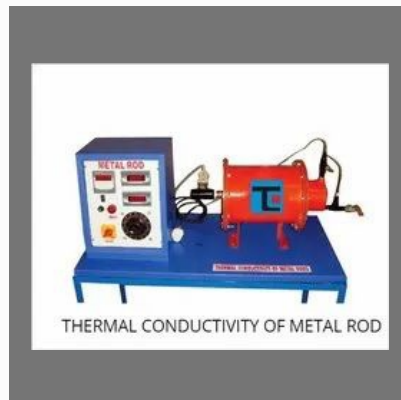

Forced Convection Apparatus

Thermal Conductivity Of Insulating Powder

Thermal Conductivity Of Liquid

Thermal Conductivity Of Metal Rod

# REFRIGERATION & AIR CONDITIONING LAB. SETUPS

Our Products

Air Conditioning Trainer

Refrigeration Trainer -VCC

Ice Plant Test Rig

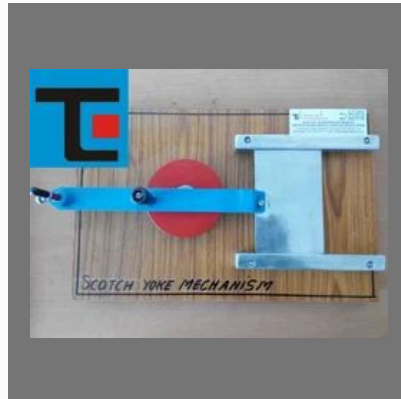

Mechanical Heat Pump Test Rig

## MECHANISM MODELS

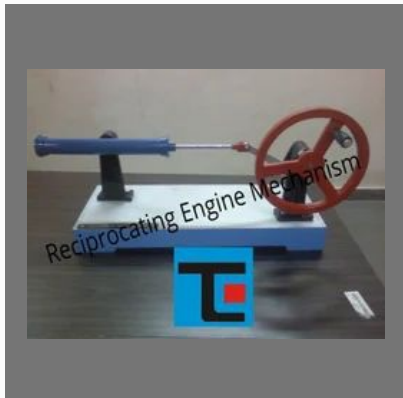

Our Products

Pawl And Ratchet Mechanism Model

Scotch Yoke Mechanism Model

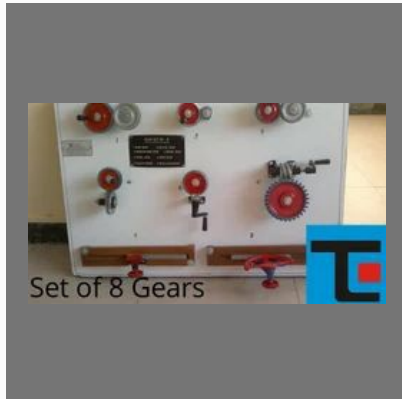

Reciprocating Engine Mechanism Model

Oscillating Cylinder Mechanism Model

## GEAR MODELS

Our Products

Set of Gears Model

Rack and Pinion Model

Spur Gear Model

Bevel Gear Model

# THEORY OF MACHINES LABORATORY SETUPS

Our Products

Generation Of Involute Gear Tooth Profile

Static Dynamic Balancing Apparatus

Epicyclic Gear Train Holding Torque Apparatus

Interference Undercutting

## WOODEN OBJECT DRAWING MODELS

Our Products

Engineering Graphics Models-  
Dissected

Engineering Graphics Models-  
Undissected

Engineering Graphics Models-  
Interpenetration of Solids

Engineering Graphics Models-  
Plates

## IC ENGINE MODELS

Our Products

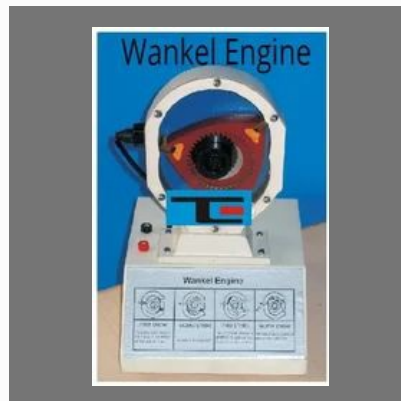

Turbo Jet Engine - Model

Sterling Engine Model

Tractor Model

Wankel Engine Model

# CIVIL ENGINEERING MODELS

Our Products

Two Storied Building Model

Safe Water Supply From River Model

Cross Section of National Highway Model

## SLOTTED WEIGHTS

Our Products

Stainless Steel Slotted Weight

Brass Slotted Weight

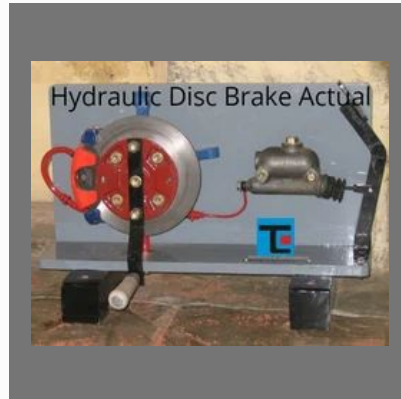

Slotted Weight Iron

## BRAKING SYSTEM MODELS

Our Products

Disc Brake Model

Hydraulic Disc Brake Model

Vacuum Assisted Hydraulic Drum Brake

Hydraulic Drum Brake Model

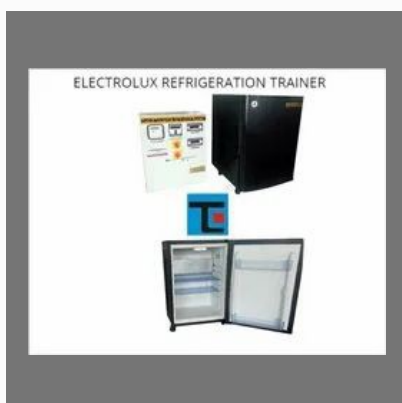

## OTHER PRODUCTS:

Parallel Forces Apparatus

Heat Transfer In Forced Convection

Electrolux Refrigeration Test Rig

Wit Worth Quick Return Mechanism Model

## OTHER PRODUCTS:

Epicycle Gear Model

Coriolis Component Of Acceleration

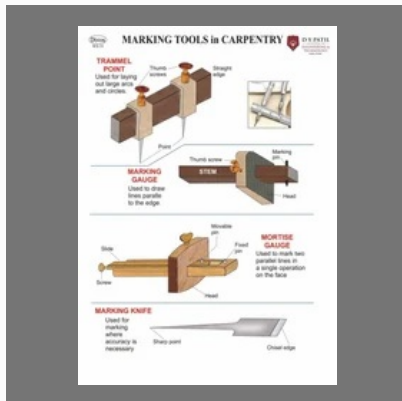

Drawing Board

Multi Cylinder Diesel Engine - Actual Cut Section

## OTHER PRODUCTS:

Mechanical Engineering Charts

Computer Science And IT Charts

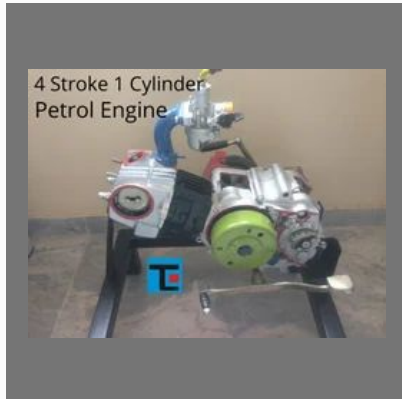

Object Drawing Model

Demonstration Board Of Crdi System Working Model

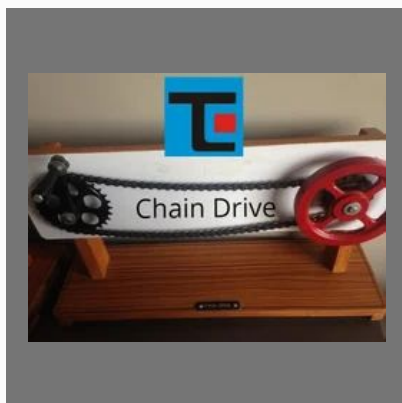

## OTHER PRODUCTS:

Four Stroke Single Cylinder  
Petrol Engine - Actual Cut  
Section

Belt Pulley Models

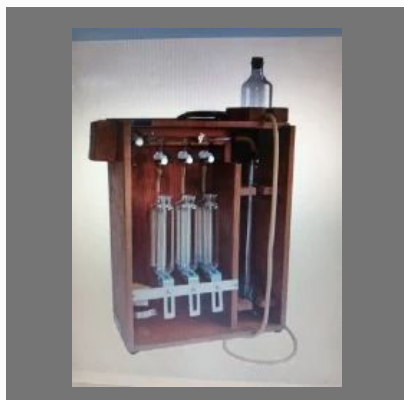

Belt and Chain Drive Models

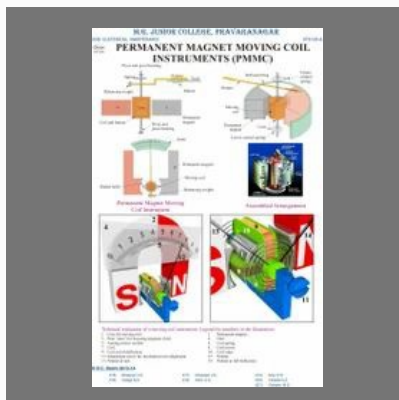

Multi Cylinder Petrol Engine -  
Actual Cut Section

## OTHER PRODUCTS:

Orsat Apparatus

Electrical Engineering Charts

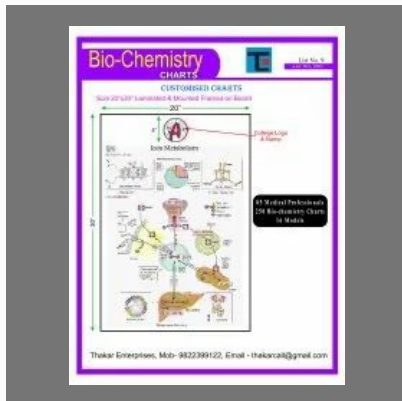

Electronics Engineering Charts

Chemistry Charts

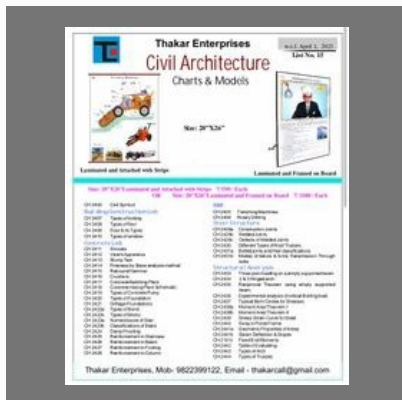

## OTHER PRODUCTS:

Biochemistry Chart

Rear Suspension System Model

Civil Engineering Charts
