About Us

THANGAM INFRASTRUCTURE PVT LTD is about pursuing construction and infrastructure in a new paradigm. We understand that we are responsible to sustain the eco-system while we still develop infrastructure across various needs of the emerging society. The idea of green is being imbibed in to our construction practices to optimize resources to a very practical level. Whether it is saving fuel or reducing wastages and manpower or using environment friendly building practices, we go the extra mile to ensure the difference and go beyond the obvious of quality, and cost.
