About Us

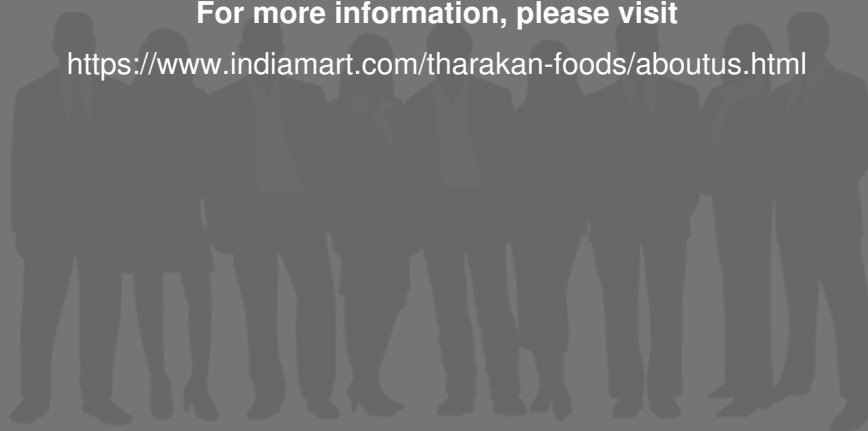

From the rich and beautiful land of Kerala, **Tharakan Foods Pvt. Ltd** brings forth a variety of food products. Our group is actively engaged in manufacturing, exporting and importing of various food items like :

- Dried Sea Food
- Frozen Ready To Eat Curry
- Spices
- L-Dopa
- Frozen Grated Coconut
- Desiccated Coconut
- Virgin Coconut Oil

Our clients rely on the purity of the food items, as we are a registered body, having Marine Products Export Development Authority, Reg. No. KL 1 / MT / 213 / 08 Valid up to 2011 and Spices Board Reg. No. ML/REG / T524, 2008 Valid up to 2011. Moreover, we have applied for Coconut Board Registration. Prepared under safe conditions, our food items are a perfect blend of high nutritional value and delicious taste. Our company has been experiencing a considerable growth, since inception in 1993. We have achieved a noteworthy position in the market, due to the special efforts laid by our Director, **Mr. Lalan Tharakan**. Today, we have carved a niche as one of the major Desiccated Coconut Manufacturers, based in India. **Quality Assurance** The quality of our food items is assured by a group of efficient workers. They assure the freshness of the foods, especially coconuts and seafoods. Moreover, we conduct stringent quality tests, before delivering food products to the clients. **Warehouse** Storage of the food items is of key...
