Tharank Techniks

<https://www.indiamart.com/tharanktechniks/>

We began our functioning as a manufacturers, supplier, importer and exporters of a diverse and commendable range of Water & Waste Water Solutions. Further, the product made available by us in the market, is widely praised for its performance.

About Us

Incorporated in the year **2001**, we An **ISO 9001:2008 Certified Company** **Tharank Techniks** are known for the fine range of Water & Waste Water Solutions we manufacturers, supplier, importer and exporters. This highly praised and preferred range of products comprises quality Hydro Pneumatic Systems, Water Softener and Filtration System, having a high demand in the market. The products offered by us are manufactured using the finest quality of raw materials and advanced technology, as per the set industry set norms and guidelines. These products are widely praised for their high functionality, capacity, strength and functional life. In addition, the offered range is priced at the most attractive range possible.

The facility undergoes up-gradation on a regular basis to maintain and boost our market standing. For the purpose of achieving efficient and effective management of the operations, the facility has been parted into a number of highly operational units. These units are lead by skilled professionals, who work dedicatedly to maximize the firm's production capacity. Further, our working in the most ethical manner and abiding by the industry set norms, has helped us in acquiring various reputed clients. We are export our products in **all over the world** and import from **China**.

The firm, under the leadership of CEO **Mr. A. Jithendran**, has experienced several heights of success in the past years. His superior...
