About Us

Tharoon Enterprises is the distinguished **trader, supplier and service provider** of **Panel Board Fabrication, Electrical Switch, Electrical Relay, Electrical Contactor, Conduit Pipe** and many more. We are also known to provide **Panel Board Fabrication service**. It was established in **2008** as a **Sole Proprietor** company. Since then we have achieved appreciation as a quality oriented organization. Our entire product range is manufactured by using high quality raw material which is purchased from authentic vendors. We are not only recommended by our clients for quality products but also for the world class services that we provide. We are always ahead of our competitor because of our timely delivery and services. We are ruled by the principles of quality, honesty and integrity. Therefore we pay special attention to provide superior quality products to our valuable customers. Under the guidance of our Proprietor, **Mr. Palani A**, we have continuously moved to achieve success and growth. His vast industrial experience and expertise in the domain gives us an upper edge over competitors. He always builds the friendly working environment within the organization and inspires the team so that everyone works towards the achievement of organization growth. The organization infrastructure has highly sophisticated infrastructure facilitated with modern machines and advanced technology. All these machines are operated by...
