About Us

The Meat Masters started its business operation in the year **2000**, as a partnership firm, at Ludhiana, Punjab. Our company is counted among the leading processors and supplier of the nation involved in a wide assortment of meat, fish and chicken products. The entire range of quality products processed by us is as per the food safety guidelines prescribed by the concerned authorities, which ensures global quality standards. Our products are available in both standard and modified form for the clients, which are modified by us as per the exact preference of the clients to render them with the products they actually expect. The wide range of quality products offered by us includes **Chicken Nuggets, Chicken Luncheon, Chicken Tikka, Salami, Fish Nuggets, Chicken Sausages and Chicken Seekh Kabab**. We process our quality products with the help of our experts, who use optimum resources and fresh chicken or meat to ensure only best quality products are delivered to the clients. Our team of quality analysts is dedicated towards delivering best quality products to the clients in all aspects. Our quality analysts keep a strict vigilance on the entire processing process to ensure all the products are processed in a hygienic condition and with a maintained quality at each stage of the process. Backed by technologically advanced processing facilities, we are able to serve the diverse requirements of our clients in an efficient manner. Our processing unit...
