About Us

Our organization, '**The Reality Services**' was established in the year **2009**. We are one of the noted **Commercial & Residential Realtors** operating in the domestic market. With our proficiency in offering flexible, effective, prompt and reliable property solutions, we are serving the clients in both commercial and non-commercial sectors. We have Residential Real Estate, Office Spaces, Retail Outlet and Commercial Real Estate for Buying, Selling and Renting. We have recruited a team of industry professionals. These individuals hold expertise in interacting with the clients and accordingly devising the strategies & plans. With their skill in allocating and utilizing the available resources, they provide reliable solutions to the clients. Our professionally managed services are highly appreciated by our distinguished clients. Owing to our dedication and proficiency, we have gained trust and credibility of the clients and have build association with some of the industry giants. We are working on projects with realtors like **BPTP, RPS Group, Puri Contructions Pvt. Ltd., Omaxe Limited, Era Group, SRS Group, KLJ, Uppal, Piyush & others**. Under the guidance of our mentor, '**Mr. Sachin Arora**', we have commenced and sustained our business on positive track. He has helped us in achieving impressive capabilities to deliver the best possible solutions for the clients. He has also helped us in learning the...
