Adarsh Engineering Works

<https://www.indiamart.com/theadarsh-engineering/>

We are one of the prominent manufacturer & supplier of a wide array of sugar cane crusher and industrial product. Widely demanded for its quality & ease of operability, Our range finds extensive application in sugar industries.

About Us

Established in the year **1957**, we, "**The Adarsh Engineering Works**", are one of the leading **Manufacturer** and **Supplier** of a comprehensive range of **Sugar Cane Crusher and Industrial Product**. Our range is fabricated using premium quality tools and components for ensuring sturdy construction, easy and noiseless operation, minimal maintenance, high rate of extraction and longer service life. Our exclusive range of products also comprises **Sugarcane Crusher (5 HP)**, **Sugarcane Crusher (7.5 HP)**, **Sugarcane Crusher (10 HP)**, **Sugarcane Crusher (15 HP & 32 Tons)**, **Manganese Briquetting Press**, **Coal Candy Machines**, **Small Scale Oil Expellers**, **Pulveriser Machine**, **Vertical Baby Boiler**, **Filter Press**, **Steel Body Oil Expellers**, **Sand Muller Mixer**, **Baby Oil Expeller** etc. With the aid of advanced technology and engineering excellence, we have been able to fabricate an incomparable range that caters to the need of **Jaggery Industry**. It is due to the earnest efforts of our dedicated professionals that we have been able to offer timely and reliable services in terms of repairing, fabrication and job works. An uncompromising attitude towards quality coupled with client-oriented approach, have been the two primary reasons for our success. The foundation of our organization was laid down by, "**Late Mr. Ram Nath Sharma**". He began the business by manufacturing only Oil Expellers and gradually expanded to the fabrication of Sugarcane...
