Our organization has earned a good name in the field of manufacturing and exporting of Dolomite Powder, Calcite Powder and many more. Our large volumes of exports speak volumes about our excellent organizational efficiency.

About Us

The **Cosmic Minerals** is a well known organization in the industry for offering excellent quality products to its huge clientele in the global market. The firm came into inception in the year **1996** as a **Sole Proprietorship concern**. We have engaged ourselves into offering exclusive quality as **Manufacturer, Supplier, Trader** of huge range of products which are used in varied sectors. The firm is well placed in the **Jaipur, Rajasthan** which is very advantageous as procurement of raw material in bulk is not a concern. The gamut of products offered by us includes **Water Jet Garnet, Feldspar Powder, Quartz Powder and many more**. We understand the expectation of clients in market and ensure to meet them deftly. As our products are manufactured only with the purpose of exports we are more quality conscious in delivering the range. Our products have excellent reputation in market as they are reliable, quality tested. We ensure their purity with balanced composition, accurate pH value is another feature about which we are very concerned.
