# Thermo Tech

<https://www.indiamart.com/thermo-tech/>

We are among the reckoned manufacturers and supplier of comprehensive range of **Packaging Products, Camlock for Puff Panels and Shelters**. All our products are widely used in various industries like Insulations and pharmaceuticals.

## About Us

Established in the year **2009**, we, “**Thermo Tech**”, are one of the leading organizations engaged in manufacturing and supplying a comprehensive collection of **Packaging Products, Shelters Accessories & Hardware**. In addition to this, we have a full command over cutting, drilling, sharpening corner edges, surface cleaning, making provision of locking without key for the aluminum extrusion profile frame/sections to meet the diverse requirements of our customers. We also provide customization as per the specifications detailed by the customers to fulfill their needs & demands.

Backed by our modern manufacturing facility, we are capable of fulfilling the bulk requirements of our customers within the schedule time frame. Equipped with latest technology and machinery, our unit is managed by a team of expert professionals, which has rich experience in this domain. Our professionals use all the available resources for carrying out production process smoothly and accurately.

Under the able and efficient guidance of our manager, “**Mr. Sajal Johar**”, who has years of experience in this domain, we have carved a niche for ourselves in the market. His leadership qualities, client oriented approaches and sound strategies have enabled us to muster a huge client.
