

The Uniform HUB

<https://www.indiamart.com/theuniformhub/>

We are the prominent Manufacturer and Supplier of Industrial Uniforms, School Uniforms, Hospital Uniforms, etc. In addition to this, we are the Trader of Safety Products. Also, we are engaged in providing a high quality Uniform Stitching Service.

About Us

Established in the year **2015**, we “**The Uniform Hub**” are known as the reputed **manufacturer** and **supplier** of **Industrial Uniforms, School Uniforms, Hospital Uniforms, Office Uniforms** and **Sports Uniforms**. Our company is **Sole Proprietorship (Individual)** based company. In sync with the latest market trends, offered uniforms are designed by our trained designers using high quality fabrics and advanced stitching machinery. These uniforms are highly demanded for their features like skin-friendly, easy to wash, excellent finish, best quality fabric, shrink resistance, neat stitching and color fastness. In addition to this, we are also engaged in **Trading** and **Supplying** of **Safety Products**. We procured these products from the reliable vendors of the market. Also, we are engaged in providing a high quality **Uniform Stitching Service** to our esteemed clients. These services are known for their features lie reliability, cost-effectiveness and timely completed.

Located in **Vadodara (Gujarat, India)**, we have a well-furnished infrastructural unit that spread over a wide area. It is divided into different parts like procurement, designing, printing, stitching, quality testing, warehousing & packaging and research & development. Installed with advanced tools and machines, this infrastructural unit helps us to design these uniforms with quality. These uniforms are available in different...
