

# Thousand Shades

<https://www.indiamart.com/thousandshades/>

**Thousand Shades** is betrothed in **Manufacturing and Supplying** an extensive array of **Garments**. These garments are known for colorfastness and cost-effectiveness.

## About Us

**Thousand Shades** by Shashank Mittal are distinguished **Manufacturer and Supplier** of **Garments**. Our broad collection also comprises **Western Dress, Indo Western Wear, Evening Gown, Ladies Designer Suits, Designer Lehenga, Anarkali Suits etc.** Devoted to provide our patrons with stylish, chic and fashionable garments that suit their financial plan, we offer an extensive variety of garments. Only the first-class grade fabrics are utilized by us in the designing and creation of these garments. All our fabrics are acquired from specialized and reliable vendors of the market that guarantee quality. The use of stitching equipment and pioneering technology delivers these products their finer finishes. Our garment range is designed and crafted by creative designers and personnel who are familiar with the freshest trends in the fashion industry. The offered lovely range is highly valued amid our patron for its qualities such eye-catching designs as, color fastness, shrink resistance, attractive looks, smooth texture and easy to wash. All our products are comfortable and skin-friendly, therefore extensively needed by our fashion conscious patrons.

**Our company has spent a big amount on the growth of our infrastructural set up that spreads over a huge area.** Our infrastructure unit is segregated into numerous parts such as production, designing, warehousing & packaging quality control and many more. All these units are well-furnished...
