<https://www.indiamart.com/thukralelectricals/>

Our entity is involved in **manufacturing, trading** and **wholesaling** a broad range of **Desert Cooler, Air Coolers, Room Cooler, Cooler Motor** and many more.

About Us

Establish in **1993**, **Thukral Electricals** has gained an admirable position in the market for **manufacturing, trading and wholesaling of Desert Cooler, Air Coolers, Room Cooler, Cooler Motor** and many more. These products are enormously used in residential and commercial places. Due to their longer working life, easy operations, low maintenance, top performance and nominal prices, these are extremely well-liked in the market. Our presented products are developed using the optimum quality component and advanced technology. Besides, in order to supply the optimum quality of products, these products are checked on diverse quality standards employing advanced technology. Furthermore, our honest dealing, moral business policy, nominal prices and finest quality of products have helped us in maintaining renowned position in the market. Being a quality conscious entity, our solitary objective is to supply only best quality products to our customers. We have achieved a well-known position in the industry owing to our products. Moreover, professionals also stringently inspect these products on industry defined values of quality to assure the longer service life. Moreover, we work under the command of our mentor **Mr. Vijay Thukral**. Under his command we have achieved our business objective in proficient way.
