Times Partner Services Private Limited

<https://www.indiamart.com/times-partner-services/>

We are a notable Service Provider, offering unparalleled IT Services to our patrons in varied industrial applications. Apart from this, we are a reputed dealer of an excellent array of IP Cameras, which we install at respective clients' site.

About Us

Established in the year **2005**, we, “**Times Partner Services Private Limited**” are recognized as one of the distinctive service providers of different kinds of **IT Services**. We are also a leading dealer of various kinds of **IP Cameras** that we source from dependable vendors and install at desired clients' site. These solutions are targeted at fulfilling the emerging computer problems and difficulties to solve complex technical issues by our clients. Computers have become core of any business operation and these help in completing any day-to-day task consuming the minimal time frame. Via our services, we aim towards making people understand the exact usage of this modern technology with utmost ease and care. Therefore, we give prime importance towards making our services more reliable, credible, flexible and prompt. The Internet Protocol Cameras we deal in, are easy to install & maintain and have longer service life. These services are efficiently rendered by our team of system administrators, which is well-trained to use the new age technology. This team has been appointed purely on the basis of its skills and technical expertise, which allows us to totally satisfy our customers in the industry. Our team can handle any technology or Internet-related issues that come under a business network of computer and information. For the benefit of our patrons, we have been offering the best Internet based solutions as per their...
