About Us

We possess a team of well trained chefs and cooks who are expert and possess wide experience in their work. They are selected from the best hotel management institutes. Our master chefs and cooks have a wide experience in the hotel industry and have been associated with various reputed Indian hotels and restaurants. They are highly adept in preparing all types of Indian & International cuisines with extreme ease and finesse. The menus offered by us indicates a rough sketch on what we offer. Our chefs and cooks have succeeded in developing customized menus that suit client's needs. Our clients can also make a selection from the menu listed by us. Apart from chefs and cooks, we also have a team of managers, consultants, logistics people, supervisors, tasting experts & allied workers. Together, all of them form a dedicated workforce which is all set to take on the tough challenges of the industry in conjunction with providing the best possible catering services. We use recommended food material and ingredients to prepare our food items along with ensuring that our services are executed strictly as per client's requirements. Additionally, we are empowered with efficient staff employed in the kitchen, having expertise in the preparation of mouth-watering cuisines.
