We are a prominent trader, supplier and wholesaler of Cotton and Cambric Fabrics. Our product range is immensely appreciated by the clients as we have designed it according to the industrial quality standards.

About Us

Established in the year **2001**, we, "**Topex Fabrics**", are trading, supplying and wholesaling a wide range of **Cotton and Cambric Fabrics**. Driven by an ambition to deliver world-class products, we have been able to garner the trust and respect of reputed customers in the market. The entire range is designed using optimum quality fabrics by our vendors, under the stern supervision of quality controllers for assuring the delivery of flawless products.

In order to meet the ever changing needs of the clients, we have developed a well-connected network of manufacturers. Our procurement agents conduct a through research for selecting the best products from the market. We have also developed a wide warehousing & packaging unit for meeting the emergency requirements of the clients. These departments enable us carry out tasks with utmost precision and in a systematic way that is beneficial for the growth and success of our organization. We have also installed latest and sophisticated machines at our plant for making the delivery process simple and quick.

We have attained a remarkable position in the industry, under the able guidance of our mentor, '**Mr. Tanveer**'. His in-depth industry knowledge, cordial relations with the vendors ad sharp business acumen have helped us acquire trust of our clients.
